Asian with attitude

Welcome to I Ching! Our goal is to serve you fresh, made-to-order selections of the highest quality ingredients. While our menu items are designed to complement the exciting flavors of Asia, we will be happy to prepare any dish to your personal dining tastes or dietary needs. For example, if you do not eat onions, then we will gladly prepare your dish without them. Peanut allergies? Gluten allergies? We understand and are prepared to satisfy your needs. Please ask your cashier or manager for alternative ways to change a dish to your liking. We enjoy creative challenges in food preparation. It is our goal to make your dining experience at I Ching both memorable and delicious. Thank you for being our guest and please come back. As always your feedback is vital to making I Ching the best Asian dining experience in America.
